Colchester Community Theatre

PO Box 787 Colchester, CT 06415

Dear Friend of the Arts:

Support from people and businesses like you has made it possible for the Colchester Community Theatre to present successful musicals. We are very excited for this year's production of *Newsies* onstage **February 14, 15, and 16 2025**. We are proud to continue to provide musical theater opportunities for our community! Live musical theater involves high production costs, and we are committed to providing local audiences with superior productions at reasonable rates.

As we are now a 501c3 non-profit organization, we rely on our advertisers to help us with our expenses. We hope you will support us by placing an advertisement in our digital playbill. You will notice that we offer two choices. You can place an ad for just this show or there is a "discount" if you purchase advertising space for this production as well as our next production. Don't miss out - call now!
